

# HAVE YOU EVER SEEN A LEPRECHAUN ?

Have you ever seen a leprechaun  
Little green hat and boots so brown  
Have you ever seen a leprechaun  
Can you catch one sneakin' around

He's got a secret pot of gold  
Hiding at the end of a rainbow  
And you can try to find it but you'll never win  
Get a four leaf clover and try again

Have you ever seen a leprechaun  
Tiny little trickster from Ireland  
Have you ever seen a leprechaun  
Maybe just maybe you can make him your friend

Have you ever seen a leprechaun  
Little green hat and boots so brown  
Have you ever seen a leprechaun  
Can you catch one sneakin' around

Maybe just maybe  
you're be  
your friend
